**Immortal Obsession / Immortal Obsession #1
by Denise K. Rago**

Immortal Obsession - As a young man in eighteenth century France, Christian Du Maure impulsively follows his best friend into the complex and warring world of the Parisian vampires. Against the backdrop of the French Revolution and following an affair with a mortal aristocrat, he promises to watch over her daughter - only to learn the child is his.

Now settled in Manhattan, only two descendents of his union remain, Amanda and her brother, Ryan. After Amanda witnesses a savage murder in Central Park, she is determined to find the ethereal stranger who saved her life.

When their worlds inevitably collide, Christian finds he cannot prevent Amanda from becoming a pawn in a centuries-old struggle for power. As a confrontation between ancient enemies comes to a head, Christian must face a betrayal from his past that still haunts him and threatens the woman he loves.

My rating: 5 of 5 stars

I just finished Denise's debut novel and loved it.

I was a bit afraid at first that it would be 'just' a paranormal romance, because I usually read more paranormal mysteries. But... surprise!!! The book is far from 'just' a paranormal romance. In fact it's a real page-turner and I was not able to put it down (completely forgetting the world outside) until I finished it. I really enjoyed the book and would love to read more about Christian and his friends. I really hope there will be a sequel...

... it would be interesting to know who Denise had in mind, when she created Christian... just curious...
